SERVICE MANUAL

(SUPPLEMENT TO CHASSIS R17A6 - R16M6 SERVICE MANUAL, PART NO. 68P532321)

GENERAL INFORMATION

This supplement contains information on Model SR52A6, which is a basic R17A6 chassis, custom-designed (by adding the appropriate matched front plate assembly, etc) for installation in the 1950, 1951 and 1952 Studebaker. Alignment instructions, parts identification, schematic diagram and chassis parts list appear in Chassis R17A6 - R16M6 Service Manual.

REPLACEMENT PARTS LIST SUPPLEMENT

NOTE: Refer to R17A6 Service Manual for chassis mechanical & electrical parts. When ordering replacement parts, specify model number of set in addition to part number and description of part.
